

Project Title: Investigating Trans-Affirmative Education Policies and Practices in Ontario

Advertisement for Participation

My name is Kenan Omercajic and I am a MA student in the Faculty of Education at The University of Western Ontario. I am conducting a study that will examine the development and implementation of policies that address and support the needs of transgender and gender minority youth in the Ontario education system. The purpose of the study is to learn more about these policies and how they are informing practice in Ontario schools.

The study is seeking participants who have knowledge or are aware of public school policies presently in place in Ontario that cater to those who identify as transgender and which address gender expression.

If you agree to participate, you will be asked to take part in up an interview at a location that is convenient for you. Alternatively, it will also be possible to arrange a Skype interview. Each interview will last about an hour and, with your consent, will be audio recorded.

If you are interested in participating, or would like to receive more information you may contact me via email (komercaj@uwo.ca), or phone (519) 880-2655. You can also contact my supervisor, Wayne Martino, PhD by phone (519) 661-2111 Ext 88593 or email wmartino@uwo.ca.
